**Style 540 PADDED FITTED BOARD CASE 170 cm with pockets, shoulder strap, backpack straps and fully padded with wheels**

**Awesome!**

*" totally worth it, I just put my snowboard-147- with attached bindings, boots, 2 pairs of gloves and jacket and I still have room...very nice well worth it. It seems very durable and thick, it also is lined and looks to be waterproof. I looked at some and they were very thin and flimsy, this is not. I really like the backpack straps too.*
